

SimTiki Academy Application

Thank you for interested in our SimTiki Academy program!

The SimTiki Academy program is an in-residence, post-graduate program designed to advance healthcare educator simulation-based teaching skills. Flexible curriculum supports concentration on individual educator learning goals. Faculty and staff mentors facilitate didactic, interactive, and project support activities. Applicants are required to create a learning plan and a learning contract describing their own goals and objectives.

The Academy core curriculum is a flexible 10 week program. Registration is available for 4-12 weeks in each cycle. The program schedule is flexible according to participant individual availability.

Cycle 1: February to April

Cycle2: April to June

Cycle3: September to November

Target Participants:

Healthcare educators who are interested in Simulation-based education techniques

Prerequisites:

English Language: Adequate for professional interactions

Experience: Simulation educator course completion or, Simulation based teaching experience or, Healthcare education experience

Interview: Web based /remote, or in person

SimTiki Academy is an ENGLISH language program

Registration Fee: 4 weeks: \$6,500 (Base Tuition)

5-9 weeks: \$1,200 / week + Base Tuition

10-12 weeks: \$12,000

If you are attending less than 4 weeks, please contact us for the registration fee. If you are requesting a shadowing program (only for physicians/residents), the fee is included in this registration fee.

Please read our cancellation policy before you pay. The payment due is 60 days prior to the first date of the program.
